

About Us

For over 30 years Preventics, Inc with its subsidiary, Legere Pharmaceuticals has been a pioneer in Preventive, Holistic, and Alternative Medicine. Many of our products have been specially formulated for the leading physicians in nutritional and alternative health care. We are constantly expanding to bring you new and innovative high-quality nutritional supplements, herbal remedies and alternative health products. Our quality assurance standards ensure that the ingredients in our products are from the best raw materials for the highest potency that you expect and demand.
